### **E. Campground Winter Rules**

1. A Camper Storage Fee will be charged to store a camper at the campground over the winter. This fee must be paid prior to the official closing date. If the fee is not paid by the last Sunday in October, a fine will be assessed. If the fee and the fine are not paid within thirty (30) days an additional fine will be assessed monthly until March 1. If the fee and all fines are not paid by March 1, the Seasonal Campsite License will be revoked.
2. Camping units must be removed by the Campground closing date unless Camper Storage has been paid. All items to be removed from the campground must be removed by the same date. Vehicle access to the Campground will not be permitted after the official closing date.
3. Nothing may be left near, under or around the camper to be stored, except a storage container, firewood, tote along, access stairs, grills (as referenced below) and carpeting. All furniture, flowerpots, screen rooms and like items shall be removed and properly stored off the property and out of view. Anything left on the site after the specified closing date will be disposed of.
4. Grills will be allowed to be stored during the winter months on campsites that have paid for winter storage. Any grills that are left on a campsite must be securely covered and stored near or under the camper. Propane tanks must be removed.
5. If maintenance is required to work on or near a campsite, the property owners may be required to move their camper to another campsite until the work is completed.
6. When the campground is officially closed, all electricity and water will be shut off.
7. After the official closing date, campsites may not be occupied. The campground entrance gate will be locked, and the roads will not be maintained. Anyone wishing to check on their camper prior to the official opening date of the campground will be required to notify the Safety and Security Department of their presence and walk to the camper location.
8. Seasonal camping units only will be stored at the campground. Boats, ATVs/UTVs, boat and ATV/UTV trailers, etc. must be removed from the Campground before the official closing date.
